How it works FAQ

How do i join?

Sign up today and start enjoying the benefits of comprehensive, affordable dental care. For more information or to enrol in our membership plan contact us at 028 7087 8060 or you can just sign up online on our website www.puredentalhygieneni.com

Why choose our dental membership plan?

Affordable Care: we break up your payments into an affordable payment plan costing from just £22.50 per patient per month.

Preventive Approach: Your plan covers all the essential dental services you need to keep your smile healthy, preventing dental problems before they start.

Peace of Mind: Knowing you have access to a dentist is one less thing to have to think about, giving you the peace of mind to get on with life without worrying about your teeth.

What else do I need to know?

Registering under the scheme

A joining fee of £10 is applicable when you first register. This will be taken alongside your first month's direct debit payment. After your first month, you will be charged the standard fee of your plan via direct debit payment.

Tie-in period

Access to our dental membership plan is on a contract basis of 12 months. After the initial 12 month tie-in period, access to your plan will continue on an annual rolling contract each year. This payment will be taken in monthly instalments.

Withdrawal rights

Pure Dental Hygiene NI retains the right to alter, add, or withdraw any benefits of our membership plan at any point. Where possible, we will provide reasonable notice of changes to your dental membership plan service.
